ABOUT THIS CARD COMPANION

Training boundary. These cards are rehearsal prompts for the ordinary 1962 Roman Rite route named on the deck. They are not an official liturgical book, parish directive, certificate of competence, or substitute for the full guide and its branch qualifications. The priest and master of ceremonies govern the actual function.

Safe use. Rehearse under a responsible adult. That adult controls flames, hot charcoal, unfamiliar objects, and local hazards. If a cue is missed, stop safely, secure any object, and look to the priest or master of ceremonies; never improvise a rushed crossing.

Text and scope. Latin responses are collated to the 1962 Vatican typical Missal. Learner pronunciation and memory helps are editorial aids, not chant notation or an English ritual translation. Special rites and local ceremonial variations require their own instructions.

Rights. Project-created teaching matter falls within the repository license boundary. Received liturgical text, official sources, fonts, and third-party material retain their own status. Installation does not authorize public distribution.

This sheet is not a card and is not part of the cut grid. Keep it with the deck for adult reference.
